Sensors: Accelerometer, Proximity, Ambient Light Sensor

Audio: 3.5 mm AV connector (AHJ), Single mic, Mono speaker, FM Radio

Battery: Removable 2100 mAh⁷ battery

1. Cortana available in select markets at launch; experience may vary by region and device.
2. Coverage, service, and 4G/LTE are not available everywhere, see carrier for coverage details.
3. Glossy white, matte black.
4. Variations on offering may apply, check local availability.
5. Pre-installed software and apps use a significant amount of the internal memory space. See www.microsoft.com/mobile/lumia-storage/ for more details.
6. Memory card sold separately.
7. Battery has limited recharge cycles and battery capacity reduces over time. Eventually the battery may need to be replaced.
