

Signature Type Cover

Fact Sheet

April 2016

Signature Type Cover

Transform Surface Pro 4 into a highly versatile laptop with the Signature Type Cover, a premium version of our Surface Pro 4 Type Cover.¹ With the same advanced Surface typing experience as the Surface Pro 4 Type Cover, the Signature Type Cover is crafted from a high-end luxury material sourced in Italy called Alcantara, offered in grey mélange. Whether your work takes you to the office or on the road, the Signature Type Cover gives you a beautifully crafted keyboard that melds luxury and productivity.

With the same great features as the Surface Pro 4 Type Cover, the Signature Type Cover has a QWERTY integrated backlit keyboard, a full row of Function keys (F1–F12), Windows shortcut keys and media controls. When closed, the Signature Type Cover shuts down your display to preserve battery life.
