

Infraestructuras más inteligentes

Utilización de la IA para optimizar la gestión de las instalaciones y mejorar su eficiencia energética

Partners							
							
Smart solutions for water and energy usage		Intelligent IoT opens a new world of energy			Connecting cities to the power of the industrial internet of things		
							
Energy Distribution for Smart cities	Smart imagery and data solutions for cities	Smart city control & IoT management system	Smart energy management	IoT cloud solutions for smart cities	Cloud solutions built for utility customer service	The world's most intelligent window	Intelligent energy, water and city management solutions
Microsoft							
							
Intelligent Public Works		IPW - HoloLens			Azure digital twins		
Microsoft Intelligent Public Works		Microsoft Intelligent Public Works Mixed Reality Experience			Microsoft Azure IoT: Spatial Intelligence, Mapping & Mobility		

Movilidad urbana

Mejora del tráfico y el transporte a través de la nube inteligente

Partners							
							
Cloud based travel to improve mobility in the world's greatest cities				Exploring cloud innovations to transform emerging cities			
							
Intelligent mobility solution	Connecting smart cities to travelers	Integrated solution for smarter sanitation systems	Smart ticketing for journey management	AI for citizen feedback analysis	Analytics for smart transportation and mobility	Urban Strategy: platform for smart and sustainable city planning	Civic Solutions

Atención ciudadana y social

Mayor conocimiento de la población para mejorar los servicios sociales y de salud

Partners

Digital Workflows for Digital Cities

Improve administrative efficiency and maximize citizen engagement

Intelligent Solutions for Senior Citizen Care

Connecting city services with citizens across multiple access channels

Audio Collaboration for Smarter Working

AI for massive Citizen Feedback Analysis

Microsoft

Accessibility

SC4A Digital Inclusion Maturity Model to benchmark digital inclusion and accessibility

Seguridad

Mejora de la seguridad y eficiencia a través de la nube inteligente

Partners		
		
Unify operations for intuitive and effective security management Travel sense travel times solution	Video solutions of citizens' safety	
		
Accessible analytics for safer cities and connected incident management	Real time performance management for cities	How to improve your value to citizens
Microsoft		
		
Public safety and justice solutions		
Public safety and justice solutions
