Meet Surface Laptop 5, blazing speed, sophisticated style.
Multitasking speed powered by 12th Gen Intel® Core™ built on the Intel® Evo™ platform, with Windows 11 and a vibrant PixelSense™ touchscreen. Sleek and beautiful, in choice of size — 13.5” or 15” touchscreen — and colors from bold to subtle, including new Sage.\(^1\) Plus, battery life\(^5\) for real life to do your thing your way, all day. Surface Laptop 5 gives you the perfect balance to do it all on your terms and make an impact.

Laptop 5 is supercharged, impactful and sophisticatedly designed to elevate your experiences.

Top Features and Benefits

- **Do it all, all at the same time.** Microsoft Teams calls, clearing your inbox, editing presentations, and more. Surface Laptop 5 is made for snappy multitasking across multiple tabs and apps, now built on the Intel® Evo™ platform featuring 12th Gen Intel® Core™ processors – delivering superior performance where you need it most. Power through local games, creative apps, or stay on top of work with professional software.

- **The size you want, the material and colors you crave.** 13.5” PixelSense™ touchscreen for ultra-portable productivity, or larger 15” for split-screen multitasking. In warm, sophisticated Alcantara® or edgy, cool metal, and bold colors including new Sage\(^1\).

- **One high-speed connection, two HD screens, all charged and ready to go.** Lightning-fast Thunderbolt™ 4 connects a 4K monitor, charges your laptop, and delivers faster data transfer for large video files.

- **Battery life for real life.** Unplug whenever and wherever you want to stream a show, play a game, or meet a deadline with up to 17 hours of battery.\(^5\)

- **Enjoy face-to-face calls that keep you in focus.** Enhanced camera experiences, powered by new Windows 11 interactive features, automatically adjust to lighting conditions, skin tones, and subtle changes in your head and face position. Be heard loud and clear on calls with dual far-field Studio Mics.
• **Take your entertainment to new heights** when you stream your favorite shows and movies with ultra-vivid color and exceptional picture quality with Dolby Vision IQ™ and cinematic sound that surrounds you powered by Dolby Atmos®.⁶

• **Get productive your way** with Windows 11 and Microsoft 365 new smart features that help you get things done. With built-in protection at every layer, Surface Laptop 5 with Windows 11 gives you peace of mind to focus on doing what you love. Sign in securely with Windows Hello. Create and save Microsoft 365 files¹²¹² or play a favorite Xbox game in the cloud.⁹

**Contact Information**

**For more information, press only:**
Rapid Response Team, WE Communications, (425) 638-7777, rrt@we-worldwide.com

**For more product information and images:**
Visit the Surface Newsroom at [https://news.microsoft.com/presskits/surface/](https://news.microsoft.com/presskits/surface/)

**For more information about Surface:**
1. Colors available on selected models only. Available colors, sizes, finishes, and processors may vary by store, market, and configuration.

2. Requires Dolby Vision® encoded content and video.

3. System software uses significant storage space. Available storage is subject to change based on system software updates and apps usage. 1 GB = 1 billion bytes. 1 TB = 1,000 GB. See Surface.com/Storage for more details.

4. Customer Replaceable Units (CRUs) are components available for purchase through your Surface Commercial Authorized Device Reseller. Components can be replaced on-site by a skilled technician following Microsoft’s Service Guide. Opening and/or repairing your device can present electric shock, fire and personal injury risks and other hazards. Use caution if undertaking do-it-yourself repairs. Device damage caused during repair will not be covered under Microsoft’s Hardware Warranty or protection plans. Components will be available shortly after initial launch; timing of availability varies by component and market.

5. Battery life varies significantly based on device configuration, usage, network and feature configuration, signal strength, settings and other factors. See aka.ms/SurfaceBatteryPerformance for details.

6. Requires Dolby® Atmos® encoded content/audio.

7. [Consumer] Requires license or subscription (sold separately) to activate and use. Activation required. After 30 days, you will be charged the applicable monthly or annual subscription fee. Credit card required. Cancel any time to stop future charges. See Free Trial - Try Microsoft 365 for a month - Microsoft Store.

8. [Commercial] Sold separately. Software license required for some features. (Japan versions are pre-installed. Not a trial. Need to call it out in OS.) Activation required. If your device is managed by your organization’s IT department, contact your IT administrator for activation. If you activate your trial outside your organization, after 30 days, you will be charged the applicable monthly or annual subscription fee. Credit card required. Cancel any time to stop future charges. See https://aka.ms/m365businesstrialinfo. (Japan versions are pre-installed. Not a trial. Need to call it out in OS.)

9. Microsoft’s Limited Warranty is in addition to your consumer law rights.
